REPORT OF SPECIAL TALK ON NATIONAL PRODUCTIVITY WEEK

National Productivity Council (NPC) is national level organisation to promote productivity culture in India, established by the Ministry of Industry, Govt. of India in 1958. It is an autonomous, multipartite, non-profit organisation with equal representation from employers' & workers' organisation and Govt. apart from technical and professional institutions and other interest.

NPC teams up with its clients to work out solutions towards accelerating productivity, enhancing competitiveness, increasing profits, augmenting safety and reliability and ensuring better quality. The council helps monitor, review and implement the identified strategies, promotional and catalytic in nature, NPC's services have bearings on economic growth and quality of life. The council promotes a comprehensive view of productivity focused on improving triple bottom line- economic, environmental and social and adds value for all the stakeholders through generation and application of advanced knowledge for inclusive growth.

At first I explained on **"Productivity day and National Productivity Week"** starts from 12th Feb to 18th Feb, 2019. With the encouragement and support of principal sir and the teachers, one student from class-XII, Master Sandeep Basantia and one student from class-X, Ms. Debasmita Sahoo presented their views on challenges and solutions of waste material and how can they get the increased productivity under the national productivity week, 2019. They have explained different wastages found in our surroundings and its bad impacts on environment and its proper disposal and they also explain and provide the solution to overcome the challenges that the society faces. At last Principal also emphasized on productivity among the staffs and students

The main purpose of organising this special talk was to increase productivity among the teachers and the students in the school premises as well as in the society.
